LinkedIn: [Christopher DeBonis](#) – Website: www.3ddialectics.com

Eager and ambitious Unity developer. Interested in the dialogue between digital and analog art, with an ability to carry out heavy-lifting in Unity and studio art practices to achieve it. Continually applying artistic intermediation to propel games, as an artistic medium, forward. Dedicated to seeing projects to completion.

EDUCATION

B.A. in Film and Digital Media Arts, Gaming Concentration	01/2021-05/2024
B.S. in Emergency Medical Services	08/2018
University of New Mexico	Albuquerque, NM
A.S. in Physics	08/2014
Central New Mexico Community College	Albuquerque, NM

PROJECT EXPERIENCE

Languages: C/C# (2 years), HTML/CSS (1 year), JavaScript (1 year)

WORK EXPERIENCE

<i>University of New Mexico</i>	01/2024-05/2024
Program Assistant (Digital Game Design, Blender VFX and Animation)	Albuquerque, NM

- Assisted in building the undergraduate UNM game design program, working alongside a new professor to the university, assessing student needs through class time and program experience.

<i>PRESNow 24/7 Emergency Department and Urgent Care</i>	04/2019-12/2020
Paramedic III	Albuquerque, NM

- Rendered emergency medical care and assessment at the highest volume urgent care facility in Albuquerque, including through the first year of the COVID-19 pandemic.

<i>American Medical Response</i>	09/2017-05/2019
Paramedic	Albuquerque, NM

- Ran an ambulance unit that was publicly recognized twice by local hospitals for remarkable stroke care, and once for outstanding cardiac arrest resuscitation.
